PRESENTING THE 1959

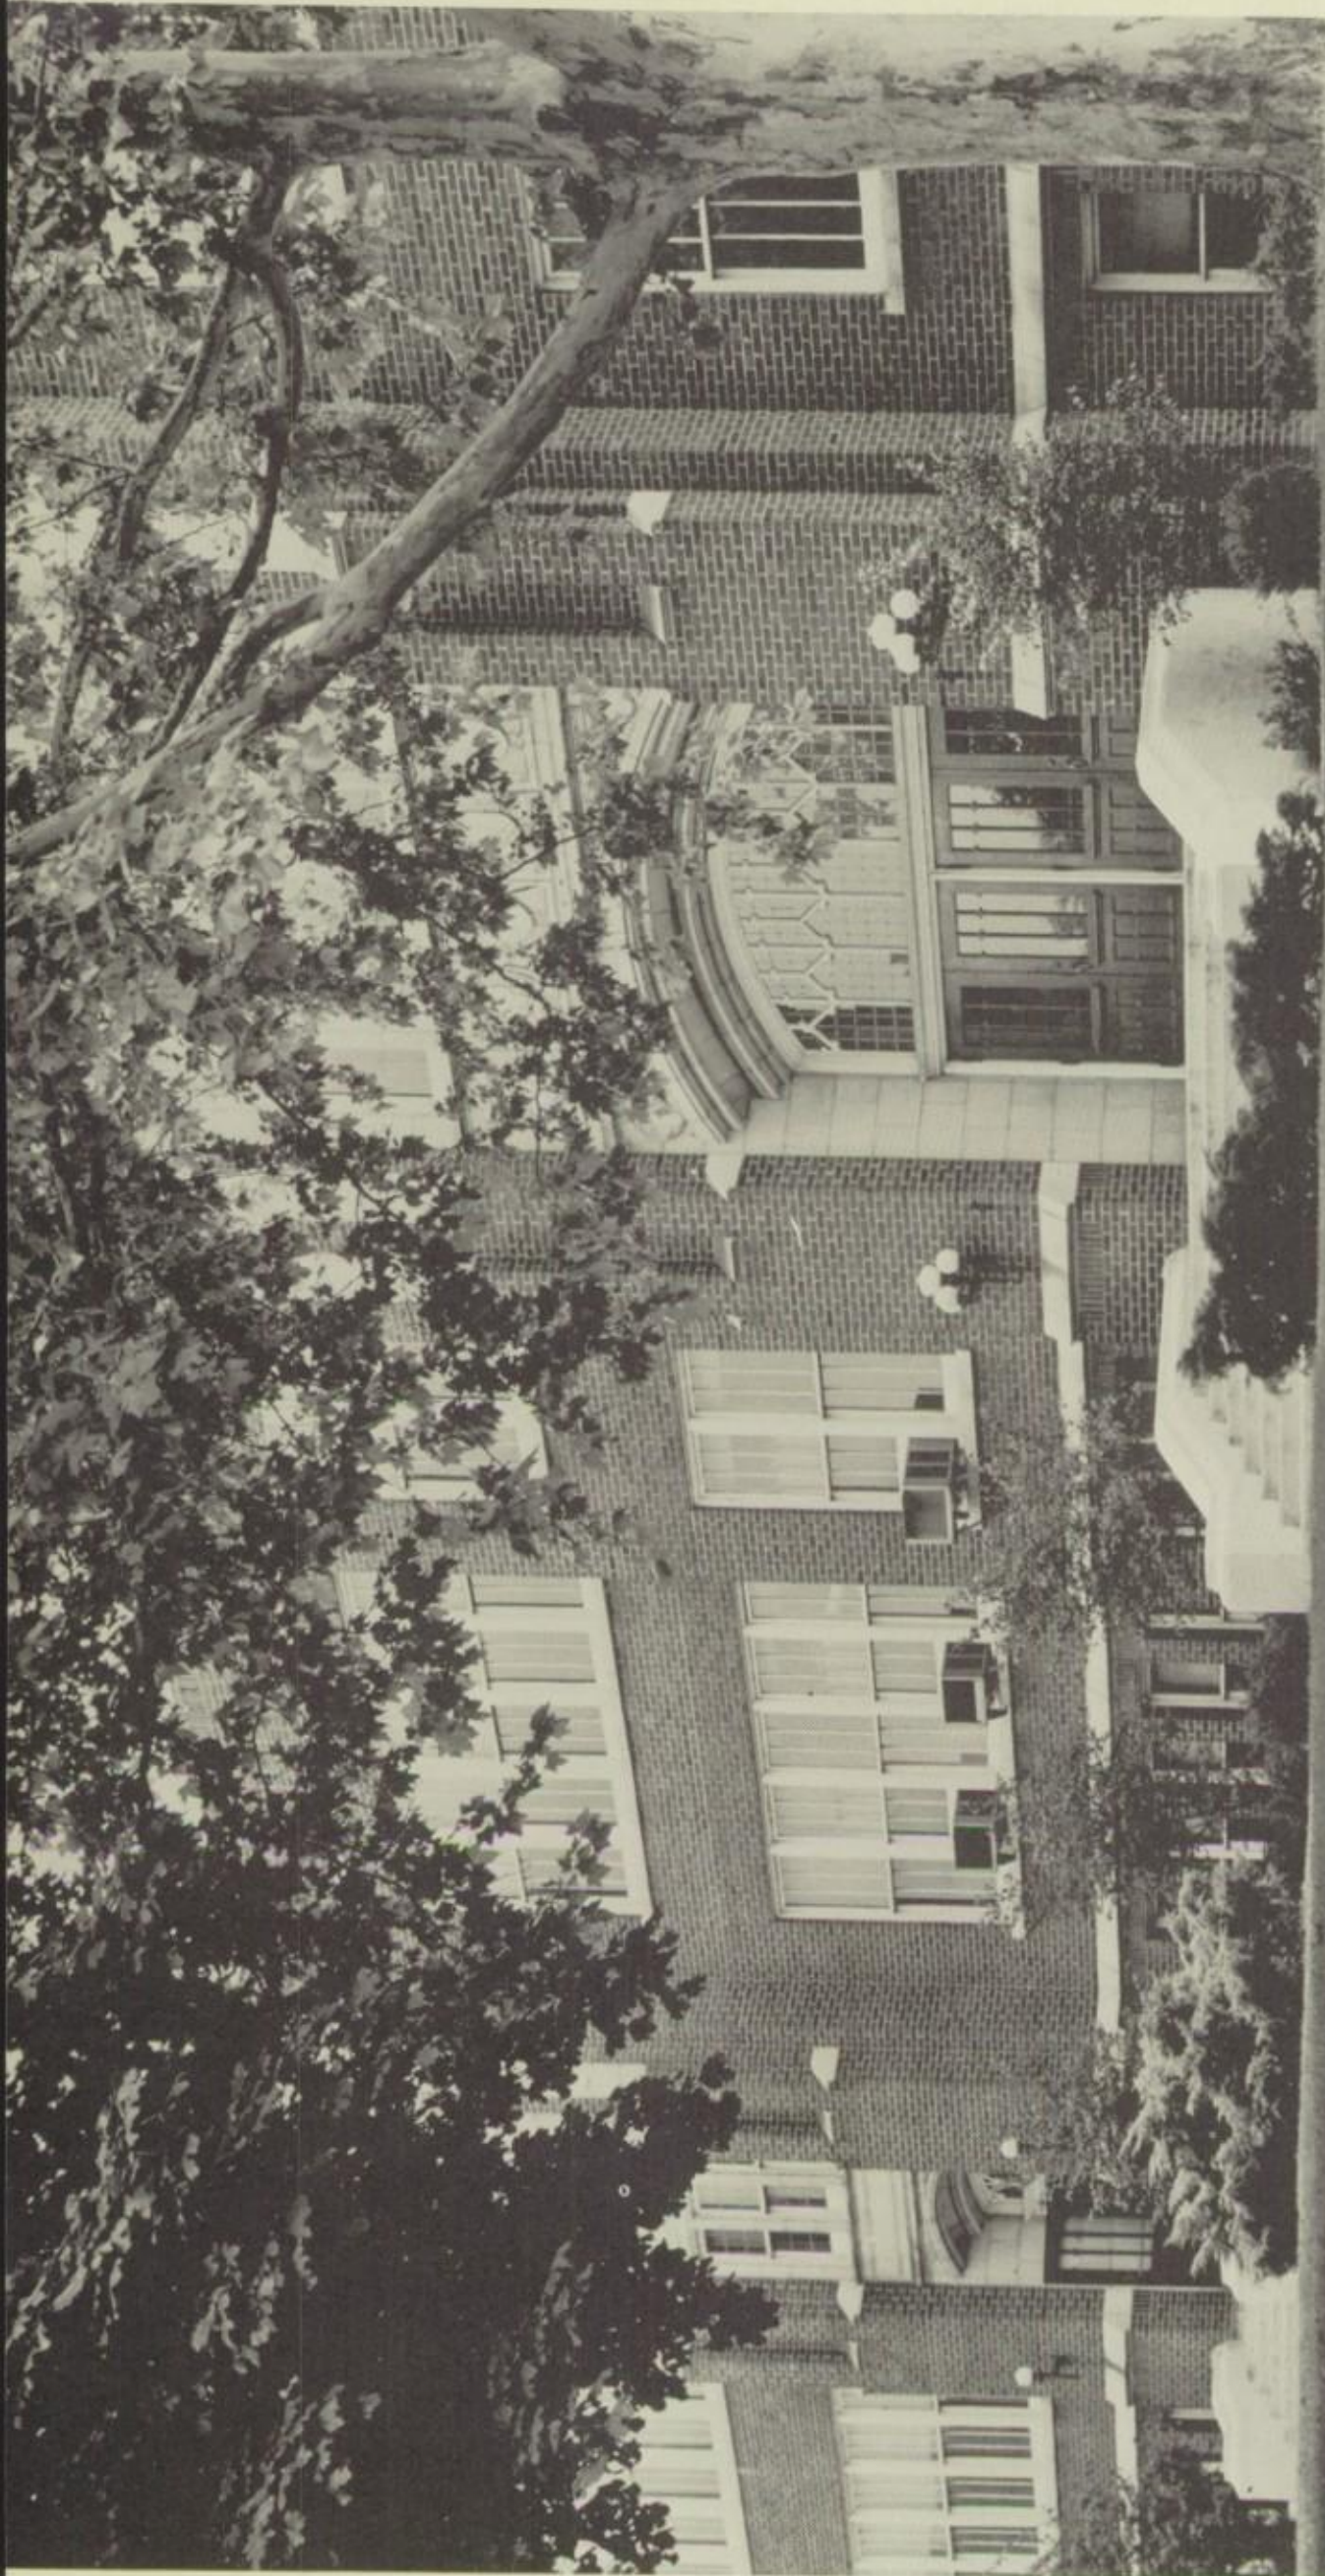

R-Pride

The R-Pride was formerly known as the Maroon & Gray. The name R-Pride was submitted by Carol Meier in a contest held to select a new name for our annual. The name was voted on by the staff. It is hoped that cover color combinations will be more flexible as a result of this change.

This is the 32nd edition of our Rossford Annual. It is published and edited by the Journalism class of Rossford High School and printed by the Delmar Printing Company.

It is our hope that each of you will enjoy your annual now and in the years to come.

ADMINISTRATION

Mr. G.H. Burns, Superintendent of Rossford Schools

In America, education starts with the individual boy or girl. We aim to educate to their fullest capacity, every boy and girl, with the interests of the individual always foremost. This, we believe, develops a citizen who is not only better from a personal standpoint, but one who in the end will be a better citizen for his country.

"Crash" programs, which concentrate on special materialistic objectives, may appear to be best for the moment but "in the long run" a broader education that produces complete men and women, capable of living full and happy lives, will be found the most effective.

G.H. Burns

Mr. E. E. Andrews, Principal of Rossford High School

Congratulations, class of 1959, for a "new look" in annuals.

This year of 1959 turns our attention to an important event, the Sequicenten Sequicentennial observance of the birth and accomplishments of Abraham Lincoln.

If a reason for celebrating the life of Abraham Lincoln needs recording, it is this: He was truly a great man. He influenced the course of history. "In his character" wrote the historian George Bancroft, "Lincoln was through and through an American."

Let the life and accomplishments of this great American be an example for all of us to follow.

NURSE

Mrs. G. G. Wolfe, our ever-willing school nurse, has taken care of our "aches and pains" very efficiently. Not only has she served the high school, but also Glenwood, Eagle Point, and Walnut Schools.

Through her cooperation with the proper authorities, we receive aid in the audio, dental, visual, and welfare fields of health.

Mrs. Wolfe's office in the high school is located on the basement floor in Room 3.

SPORTS

ATHLETIC DIRECTOR

Too much credit cannot be given to Mr. Alton Gladieux for his untiring efforts in promoting the athletic activities of Rossford High School. Mr. Gladieux has always stimulated a spirit of loyalty, self-control, and sportsmanship in all of our athletes and we students sincerely hope that he will be our athletic director for many years to come that he might continue his fine work.

TRAINER

Have you noticed the neat appearance of all the Rossford athletic teams and the efficient way that the managers carry out their function? These and many other projects, such as, care, storage, and proper use of equipment and training facilities are the work of Rossford High School's Athletic Trainer and Manager Mr. Bill Croop.

In the picture we see Mr. Croop preparing Norm Losonsky for a battle on the basketball court.

In the background we see Mr. Weber and Joe Kovach.

COACH

Mr. Owen—Head Coach

Coach James Owen came to Rossford three years ago upon his graduation from Defiance College. He served one year as line coach under Ed Knecht and was named head coach in 1957.

Mr. Owen's love of football and the enjoyment he gets from working with boys makes him an esteemed coach. We wish him the best of good luck.

BASKETBALL

BASKETBALL COACH

From left to right: Co-Captains Norm Losonsky, Joe Kovach, Sonny Jarosi, and Coach Stan Weber.

Mr. Stanley Weber, our Varsity Basketball Coach has spent some 20 years in Basketball as either player or coach. He is well liked by everybody who comes in contact with him and players enjoy working under him because of his calm, easy-going manner.

**Glass
Has Made
A Difference**

Now is the time to reflect upon the "good ole' days" in school—the many friends, your favorite teachers, sports and dances and parties. But when looking at today's school architecture, we think you'll agree that glass *has* made a difference!

Here's picture-proof that school corridors don't have to be dark and dreary tunnels. No longer must walls be solid and opaque. Today, more attention is being paid to daylight and view.

When reflecting upon the advantages of this glass age, we think you'll agree that the "good *new* days" are better.

LOOK TO ELECTRICITY!

. . . Whatever career you choose,
electricity will help you make a
better product, perform a better serv-
ice . . . *live better.*

. . . Now and in the future, cheap,
plentiful electricity will continue to
be just about your biggest value.
